

## **EMPOWER LEARNING ACADEMY TRUST - GENDER PAY GAP REPORTING**

Empower Learning Academy Trust supports the fair treatment of all staff irrespective of gender through our transparent recruitment process, pay and professional development. We have specific policies for Equal Opportunities, Safer Recruitment and Pay (incorporating performance Management).

Empower Learning Academy Trust had 506 employees, 391 (77.3%) are female and 114 (22.7%) are male.

	Lower Quartile	Lower Middle Quartile	Upper Middle Quartile	Upper Quartile	Median Pay Gap	Mean Pay Gap
Empower Learning Academy Trust	88% F 12% M	84% F 16% M	73.2% F 26.8% M	63% F 37% M	35.4% Lower for females	26.7% Lower for Females

- In the Lower Quartiles the female split is higher than the overall gender split, the Upper Quartiles is lower than the overall gender split.
- There is a similar split of females in the lower quartiles which shows there are mostly females in the lower pay grades, there are less females in the upper quartile.
- No bonuses were paid to any staff for the reporting period.

We use pay scales for all teachers that are aligned to the School Teachers Pay and Conditions document, which is reviewed on an annual basis. For Support staff we use scales set by NJC (National Joint Council for Local Government Services). Teachers move through the pay scales for their grade based on performance in role, meaning earnings are based on performance outcome irrespective of their gender.

### Supporting Statement
